

The Clipper SMS251 is the professional's tiling machine. A 1kW motor drives a 250mm continuous diamond blade, capable of wet cutting all tiling materials, from 35mm thick quarry tiles to 400mm square floor panels. The stainless steel surface can be tilted for mitre cuts.

- ▶ Cutting Depth(mm) : 55
- ▶ Max. Diameter(mm) : 250
- ▶ Engine : Leroy Somer
- ▶ Power(KW) : 1
- ▶ Engine type : LS71P
- ▶ Height(mm) : 287
- ▶ Length(mm) : 560
- ▶ Weight(KG) : 27.5
- ▶ Width(mm) : 500
- ▶ Tension(V) : 230
- ▶ Fuel : ELECTRIC SINGLE PHASE
